

THE JUNCTION TAVERN'S VETERAN'S DAY BIKE RIDE FOR SPC CATLIN MIXON

21 year old Spc Catlin Mixon, a local Army soldier from Williston, was recently severely injured while serving his country in Iraq. He will be hospitalized in Brooks Army Hospital in San Antonio, Texas for a period of 1 to 2 years recovering from his injuries.

Let's all come together to show "Our Appreciation" for Spc Catlin Mixon's dedication to his country by raising money for travel expenses to assist him and his family during this very difficult time in their lives.

Can you think of a better way to Honor Veteran's Day?
